

WELCOME TO OUR PLANT

All Visitors must sign in upon entering the building.

Here at Spectro and Claremont, your safety during your visit is our number one concern. We have prepared this brochure for your information.

PERSONAL PROTECTIVE EQUIPMENT

Approved hard toe safety shoes are required on our manufacturing floor. You will be provided safety glasses and a visitor's badge and vest upon signing in; this is required for anyone entering the manufacturing areas of our plant. Your host will provide hearing protection if it is required in the area of your visit.

Additional PPE may be necessary depending on the nature of your visit.

EMERGENCY NUMBERS

- Ambulance, Police, Fire, Hazmat-DIAL 9, THEN 911
- Emergency Coordinator- 978-227-6257

GENERAL PRECAUTIONS:

- Every employee, contractor, and visitor is responsible for their personal safety
- Take all alarms seriously
- Act calm and restrained
- Make sure doors are closed when leaving the office.
- Be wary of smoke, this takes more life than heat.

PLEASE COMPLY WITH THE FOLLOWING RULES DURING YOUR VISIT FOR YOUR SAFETY.

- Only use the routes for pedestrians. Be aware of forklift traffic in the plant.
- Smoking is forbidden in all buildings and workshop. Designated smoking areas with ashtrays can be found near the shipping dock and employee entrance.
- Photography and filming is forbidden without written permission.
- Do not touch machinery, plant, parts or materials.
- Please report any accident, incident, or opportunities for improvement to your host.
- We wish you a safe and pleasant visit to our site.

EMERGENCY RESPONSE

The building is equipped with an automatic fire alarm system. All floors are fitted with extinguishers.

Employees must familiarize themselves with escape routes from their working area. Visitors follow instructions from the host.

IN THE EVENT OF AN ALARM:

- Evacuate in an orderly manner. Your host will escort you. Maps are also posted throughout the facility.
- Walk to the nearest gathering point and report your presence to the host.
- Remain at the gathering point until further instructions are issued by the Emergency Coordinator.
